

CLASSES SNAPSHOT

JULY - DECEMBER

U X B R D G E

2024

Hello,

This snapshot is a taste of what we offer.
We invite you to move online and grab all the juicy details.

I really enjoyed the Art of Bonsai workshop with Angela and Milan. They were both so informative and helpful and I now have my own beautiful little Bonsai.

Sylvia, 2023

What a great little community hub. So much on offer from yoga and pilates to stained glass, pottery, crochet, art exhibitions and painting classes. Well worth supporting.

Jo, 2023

A good variety of courses and workshops. I have learnt a lot. Also a cafe to eat at if you are between morning and afternoon sessions. Uxbridge has really enriched my life as a retired person.

Rosemary, 2023

Great atmosphere and Juliet is a very patient and excellent Yoga teacher

Alison, 2023

Fantastic, good vibes class. Judy is really warm and nurturing.

Just the right balance of challenge and relaxation. Love it.

Kim, 2023

Amazing to have such niche courses from talented instructors who are actually working in the field. 10/10 recommend.

Cassie, 2023

The tutor, venue and class were fantastic. The class is structured in a way that absolute beginners end up with amazing pottery pieces that can be used at home.

Eri 2023

Our 2024 programme of classes is here and we have a great line up for you to choose from. For full information and prices, please visit uxbridge.org.nz

DRAWING AND SKETCHING (AGES 10 - 15)

In this class our tutor Maree will teach children realistic drawing techniques. New students will learn basic drawing techniques and theory such as proportions, shading and perspective. Students will initially work from provided images (previous themes included Alice in Wonderland, modern still life - Coca Cola can, classic still life - fruits, animals etc...). Once students feel ready, they will move onto their own chosen projects.

TUESDAYS 3:45 - 5:15pm

WEDNESDAY 3:45 - 5:15pm

\$188 per course

COLLEGE ART STATION (AGES 13 - 17)

This class is about freedom, growth and exploring the student's personal style. If the student is working on a personal project and needs help or just needing a break from school art to explore some of their own ideas.

This is the class to make it happen. We will work on building and developing their signature style and confidence through learning technical skills including layout, composition, and application of colour.

THURSDAYS 5 - 6:30pm

ARTS

POTTERY: CLAY SCULPTURE

TUTOR: JINO JEONG

In this class you will learn pottery techniques such as coiling, slab building, pinch pots, working with moulds and wheel throwing!

You will get to experiment with different styles, textures and finishes. This class will give you the tools to tap into your creativity and create sculptural pieces or useful and practical domestic ware.
