# UXBRIDGE CLASSES

---

## CLAY CLASSES & WORKSHOPS

with Raewyn or Eloise

---

- Please bring an old bath towel to each session for your own use and clean up.
- All tools, glazes and firing is provided for your first project.
- Clay is provided for your first project (wheelwork specific classes & workshop fees are fully inclusive)
- The course fee includes both the firing and glazing of any work completed during class time. More clay for all additional projects can be purchased in class at cost price.
- We do have an onsite cafe at UXBRIDGE for your convenience.

### **IMPORTANT NOTE:**

No participants are allowed to bring their own clay OR glazes to UXBRIDGE. Only clay purchased in class and glazes provided will be fired in the UXBRIDGE kiln. There are no exceptions to this rule.

*Auckland Studio Potters in Onehunga is the place to experiment with different clays or glazes.*

### **IMPORTANT INFORMATION**

It is essential that you clean up all spaces you've been working in and any communal equipment before you leave the session. The time of session includes this time and the tutor is not expected to clean up your mess.

**NOTE:** *Please remember that you are responsible for your own health and safety and should report any health and safety concerns you have to a member of staff. You should also advise us of any health concern or medical condition which may require special consideration. Note that we do have an Automated External Defibrillator (AED) held on site at the Uxbridge Reception.*
