
UXBRIDGE CLASSES

SOFTSTONE SCULPTURE

with Gillian Elmslie

Most materials are included in the course fee.

Please bring along a pair of Rubber or light gardening gloves, a short sharp kitchen knife and an apron as it can get messy.

We do have an onsite cafe at UXBRIDGE for your convenience and there are also many cafes and bakeries just a few minutes walk away. Of course if you prefer to bring your own lunch and snacks then you are welcome to do so.
