Below, a few reviews we've had from past students

Great course, wonderful tutor. I'll be back! *Christel*

A good variety of courses and workshops. I have learnt a lot. Uxbridge has really enriched my life as a retired person. *Rosemary*

Great place and cafe, accessible to all, awesome courses. *Enrique*

The Make A Silver Ring (lost wax casting) course that Maca Bernal held as incredible. The venue was great, having such a range of materials and tools to work with, and with such expert tutoring, made for an experience that exceeded my expectations. I highly recommend the tutor, venue and this workshop! *Em*

Excellent courses and super friendly staff. *Wendy*

Amazing to have such niche courses from talented instructors who are actually working in the field. 10/10 recommend. *Cassie*

The tutor, venue and class were fantastic. The class is structured in a way that absolute beginners end up with amazing pottery pieces that can be used at home. We love using the pieces created from these classes. *Eri*
