Sew A DRAWSTRING BACKPACK

TUTOR: GRACIE MATTHEWS

Create a Drawstring Backpack in this children's *beginner* sewing workshop. When finished, there will be no need to carry a separate bag; you can simply wear it and enjoy *hands-free* convenience!

These backpacks are perfectly suited for carrying dance gear, gym equipment, swimming gear, or just the right size to hold snacks and a beverage. Throughout this workshop, kids will embark on their *sewing journey* ending with a drawstring backpack at the end of the session.

Suitable for ages 8 - 12 years

Sew A BOOKHOLDER CUSHION

TUTOR: GRACIE MATTHEWS

A *beginner-friendly* sewing workshop where kids have the opportunity to select their favourite fabric and gain knowledge about *step-by-step* sewing techniques and processes.

We use extremely safe hand-crank machines, ensuring the children's *safety* during the workshop. Your child will be taught how to sew *French seams* that result in a neat and tidy finish both inside and outside of the bag. If your child enjoys the session, they can explore numerous other *sewing options* available to them.

Suitable for ages 8 - 12 years

Woodworking WASTE TO WONDER

TUTOR: JOHN LUZAK

A 3-day course for children aged 10+ to have the opportunity to create and paint two practical upcycled projects that they can take pride in. On the first day, the children will craft a planter box for herbs and/or flowers. Moving on to the second day, they will further develop their woodworking skills by constructing a Bird Nesting House. The third day is dedicated to the final touches, involving sanding, painting, decorating, and planting.

This hands-on course is to provide children with an opportunity to learn valuable woodworking skills using recycled timber. It will cover the proper use of standard woodworking tools, with a strong emphasis on practicing safety protocols.

Children will progressively work on two distinct projects that aim to repurpose and breathe new life into timber materials. These projects are thoughtfully curated to stimulate creative thinking and ensure that the children enjoy the crafting process.

Suitable for ages 10+
